ECO CHURCH

AN A ROCHA UK PROJECT

'L is for Lifestyle ' is a book by Ruth Valerio and we are continuing the series so that we can live more ethically.

B is for Bananas!!

Bananas are a staple food for many of us but many producers live in poverty and use chemicals or pesticides in production. This applies to other items too, such as chocolate, tea, coffee....

Key actions - buy fairtrade items. It can seem expensive BUT ethically we are giving people a living wage and better working conditions.

Other environmentally conscious standards to watch out for are the Forest Stewardship Council (FSC), Rainforest Alliance and Roundtable for Sustainable Palm Oil (RSPO)

Also see if there is organic option.

You don't have to miss out to be ethical and environmentally friendly.

Please Note

We livestream our 8.45 service and occasionally other services, uploading these to our church YouTube channel. The camera is focussed on the stage area (please be aware of this if you go up onto the stage during the service), and we don't film during the distribution of Holy Communion. Some backs of heads will appear in camera view. Please speak to a Church Warden when you arrive if you wish to avoid being in camera view.

Our Church Prayer

Lord Jesus, We long for more of
you in our lives, to grow in our love
for you, for one another and for our
community.

We offer you ourselves, just as we
are; keep our feet firm on God our
Rock when things feel uncertain,

keep us faithful in prayer and
service, help us share your gift of
love and grace with others and
grown your church here, we pray.
Amen
